### 2007 Foaling Completed

Koorungal Stud has finished a successful foaling season with thankfully few major problems.

Although the numbers were significantly reduced due to EI we had a relatively even split with 42 colts and 37 fillies. Thirty sires were represented in our foaling numbers: Bureaucracy, Mr Henrysee, Fubu, Bold Expectation, Okawango, Kempinsky, Carry the Crown, Savoire, Vivre, High Rolling, Mustabshir, Invincible Spirit, Al Maher, Half Hennessy, Keep the Faith, Bel Esprit, Song of Tara, Marwina, Aristotle, Hussonet, Consolidator, Manner Hill, Universsl Prince, Techrico, Dash for Cash and Seidnazar.

With 2007 drawing to a close the Lamont family would like to thank all of our clients for your patronage throughout the year.

It has certainly been one to remember, mostly for the devastating effects on the industry. The equine influenza outbreak has been very trying to say the least. Fortunately to date Koorungal Stud has remained free of the virus, however like everyone with equine pursuits we have been severely affected with transport restrictions which has affected mare numbers coming onto the stud for the 2007 season.

We can only look forward and here's hoping 2008 can be free of EI and much wetter than in recent years!

On behalf of Penny and Stuart Lamont and our very conscientious team we would like to wish all of our clients and families a very happy and safe Christmas and may 2008 bring plenty of racecourse success.
