

ALERT (ARG) GREY HORSE 2002 FOR KOORINGAL

Koorinal Stud are delighted to announce that they are importing a brilliant young four year old Argentinean stallion named ALERT for the 2007 season.

ALERT was quick – very quick. After winning a GR1 stakes for two year olds over 1000m on grass in 55.2, he added a GR3 and two handicaps that season and finished his career with 5 wins and 2 black type seconds from 16 starts.

ALERT is by the champion Argentinean sire SOUTHERN HALO who has over 150 stakes winners worldwide and is already the broodmare sire of over 65 stakes winners.

ALERTS dam, AGUSTINA'S DREAM, has also produced the GR1 placed winner of seven AJEDREZ and hails from the same proven stallion family as KENMARE. This female family is highly compatible with all the dominant bloodlines found in Australia and New Zealand and his female family is loaded with Group winners – the GR1 stakes winners include NEWMARKET, NUMERARIA, NUMERADORA, REAL NUMBER and FORTY LICKS.

We are very confident that ALERT has all the credentials to make it as a stallion and we will ensure that he receives an excellent book of mares in 2007.

ALERT will be syndicated and details of that syndication will be available in late January. He will stand at a fee of \$8,800 including GST with a live foal guarantee.

ALERT returns to scale after winning the GR1 San Isadora G.P. Estrellas Juniors Sprint
