Shiraz gets better with age

Just like the wine, Shiraz, the ever green son of Kooringal stalwart Zariz, has proven that he also gets better with age.

Shiraz took out the final stakes race of the season, the Winter Stakes at Rosehill, for trainer Kim Waugh.

It was the third stakes win of his career and 11th overall and took the 8-year-old's total earnings to over \$780,000.

His dam, Movice Slipper is in foal to Zariz once again this season for long time Kooringal clients Colleen and Peter Dwyer.

Kooringal Stallion Season Wrap

Zariz progeny have had yet another productive year on the track, with 45 individual winners of 77 races across the season to take his overall earnings to just shy of \$16 million.

Magic Albert progeny earned over \$3 million dollars in prize money in 2016/17 season alone taking overall earning to just over \$40 million. Magic Albert recorded 89 individual winners for 139 wins for the season.

With only four crops of racing age, progeny of Duporth have amassed over \$12 million in earnings, with colts by the stallion earning on average over \$100,000 on the race track.

During the 2016/17 season, Duporth sired 58 individual winners of 93 wins including Group 1 winner Hey Doc.

Around the farm

Koorungal has received magnificent rain in early August which will set us up for an early lush spring.

It is a great relief for the season to be back on track, as we had a drier than average winter with a record number of frosts in June.

We have continued with our tree planting program again this year at Koorungal with over 2,500 eucalyptus, wattles and casuarinas planted.

That takes us to over 50,000 trees that have been planted on Koorungal over the past 30 years. The property has benefited enormously as the trees along all fence lines have created excellent shade and windbreak for all stock.

Foaling season

The 2017 foaling season is now upon us at Koorungal, with our first foal, a magnificent colt by Magic Albert out of the Commands mare, Commands Space owned by long term client Brendan Abbey.

There has also been a new addition of two legs to the Lamont family, with Angus and Jenna welcoming Arabella, a little sister to Sophia, on July 14th.
