A great start to the racing year for Koorungal sires

It has been a sensational start to the 2017/2018 racing season for Koorungal sires who have really ended the year on a high note, giving many owners some very exciting prospects heading into 2018.

Magic Albert has led the way having produced 53 winners alone this new racing season including 20 in December alone – this ensures Magic Albert is sitting comfortably in the top 20 stallions in Australia based on winners.

Meanwhile, Zariz and Duporth have both had less than 90 runners so far this season and both are sitting well above 30 winners each ensuring the long tradition that Koorungal offers some of the best value stallions in the country with such strong results.

It doesn't end there though, with past Koorungal sire Krupt having produced 23 winners from only 44 runners since August which included a Saturday City treble at Morphettville in November.

Shrapnel progeny are also starting to show some real promise, with 14 winners coming from only 32 runners.

We are excited by the prospects of The Brothers War progeny that will hit the tracks later this year too.

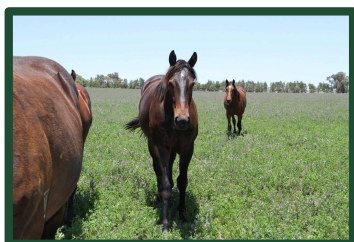

Above - Straight Jacket (Magic Albert) a seven year old gelding, won the Bordertown Cup over 2000m before winning at Monnee Valley in December.

Above - Burrum's Buzz (Zariz) has won four races from six starts this preparation for Austy Coffey, including two at Morphettville.

Yearlings enjoying the green pastures at Koorungal
